JOSEPH MARTIN

Joseph Martin, a native of North Carolina, earned his Bachelor of Music degree in Piano Performance at Furman University in Greenville, South Carolina. Subsequently he earned a Master of Music degree in Piano Performance at the University of Texas, Austin. Joseph taught for five years in the Piano Pedagogy Department of the University of Texas.

He is a member of the staff of Shawnee Press, Inc. as Director of Sacred Publications, with responsibilities for overseeing the editorial and creative direction of the company and also coordinating the recording and production aspects of future sacred publishing efforts.

Joseph has performed solo piano recitals and has been the featured artist with symphony orchestras in the United States and Mexico. Though he continues to perform in concert, he now devotes his efforts to playing in churches and for conferences of church musicians.

His first solo piano recording, American Tapestry, was nominated for a Dove Award. This album, along with his other recordings (Songs of the Journey, Celtic Tapestry, and A Christmas Tapestry) has been enormously popular in the sacred and secular markets.

Recognized throughout the United States for his many choral compositions, both sacred and secular, Joseph's music is published by numerous publishing houses. Over 1000 compositions are currently in print and the list continues to grow.

His composition "Pieta" was recently honored with an award from the John Ness Beck Foundation.

Along with Mark Hayes and David Angerman, Joseph has co-authored a fully graded, progressive piano method for the Christian student called Keys for the Kingdom. His major works include 27 choral cantatas and Song of Wisdom, a choral tone poem based on the best-selling children's book, Old Turtle.

His music can be heard in such diverse locations; and in hundreds of worship services in churches across the United States and Canada. He continues to surprise audiences with the variety and scope of his compositions and arrangements.

Joseph lives in Austin, Texas with his wife Sue and his children Jonathan and Aubrey.

***"The music manuscript is like a marble slab
awaiting each stroke of the sculptor,
to reveal the beauty that lies beneath the surface."
